### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Application Title: Persistency Control in an Information Browser.

#### **Abstract of the Disclosure:**

A method of persistently displaying data including displaying first and second data in a display region of an information browser where a persistency control has been installed in the information browser. The persistency control prevents attempts to replace data that has been flagged as persistent. The attempts to replace data are requests associated with a navigation operation definable in data loadable in the information browser.
